

AIPNO PRESIDENT ANNOUNCES AIPNO YOUTH INITIATIVE PROGRAM FOR HIGH SCHOOL AND COLLEGE STUDENTS THIS YEAR IN THE FALL OF 2024.

Our youth are the future of our society, and their mentoring and development is a top priority for AIPNO. AIPNO will be conducting its first youth initiative program for high school and college students this year in the fall of 2024.

This program will comprise s 2 one-hour sessions on various topics of interest to our youth. We plan to hold these web conferences on September 15 and 22nd (all Sundays) from 7-8 PM. Two one-hour sessions will be covered on each Sunday.

Inspiring talk from a notable guest speaker

Goal Setting Workshop

Guided activity to help students set personal and academic goals

Skill Development Workshop

Focus on specific skills (e.g., leadership, communication, time management)

Interactive activities and practical exercises

Panel of professionals discussing career paths and opportunities

Guide students in creating an action plan for their goals

Research options for high schoolers and college students in the greater Cleveland area. How to write College Essays.

The aim of this program is to educate our younger generation about various career options outside the field of medicine and seed some knowledge about personal finance while also empowering the youth with leadership and life skills.

The AIPNO team is planning to conduct this program as a webinar. We sincerely hope that this activity would be of immense interest for our youth and 50-100 students from high school and colleges would participate in this activity.

We can try some flexibility of the schedule to suit the availability of the speakers.
